Terms of my Agriculture consultancy services

Two types of services I provide

1. Individual project – visit to farm, meetings, sharing details on cultivation practices etc., preparation of project report, monitoring visits, linkages with processing and marketing agencies.
2. Information exchange and linkages- sending a reply to someone seeking information on a particular project – sharing contact details of experts , buyers, sellers and other useful information.

My service charges:

1. For individual projects I sign an MOU with the client and service charges are included in the MOU.
2. For Information exchange
 - a. I charge Rs 500 for each email containing useful information being exchanged.
 - b. If specific project need to be prepared and sent separate charges are decided in advance.
 - c. For visits to and fro charges by taxi/ ac tier train / air plus lodging and boarding in a reasonably good hotel and minimum of Rs 5000 per day for training , filed visit, project report preparation, documentation, evaluation etc.
